Name:	**Dr. Nikita Singh**
Designation:	Assistant Professor
Email ID:	nikitasinghk@ifheindia.org
Teaching Areas:	Data Structures, Computer Networks, Operating Systems, Algorithms
Research Areas:	Blockchain, Distributed Ledger Technology, Distributed Computing

Education:

- PhD (CSE- An Efficient Distributed Ledger based E-Governance Framework), National Institute of Technology Raipur, February 2021
- MTech (CSE- An Efficient Approach for Handwritten Devanagari Character Recognition based on Artificial Neural Network), Banasthali Vidyapith, Rajasthan, 2018
- BTech (CSE), SIET Allahabad, 2015

Research Publications:

- Nikita Singh and Manu Vardhan, "*Blockchain based e-stamp procurement system with efficient consensus mechanism and fast parallel search*", *Journal of Mechanics of Continua and Mathematical Sciences, ESCI*, Impact Factor: 2.8191.

- Nikita Singh and Manu Vardhan, "*Distributed ledger technology-based property transaction system with support for IOT devices"*, International Journal of Cloud Applications and Computing (IJCAC*)*, ESCI, IGI Global 2019.

- Nikita Singh and Manu Vardhan, "*Blockchain-based e-cheque clearing framework with trust-based consensus mechanism",* Cluster Computing, SCIE, Springer 2020, Impact Factor: 3.458

- Nikita Singh and Manu Vardhan, "*Blockchain based e-Cheque Clearing Framework",* Scalable Computing: Practice and Experience, ESCI, Impact Factor: 0.876

- Nikita Singh and Manu Vardhan, "*Digital ledger technology-based real estate transaction mechanism and its block size assessment",* International Journal of Blockchain and Cryptocurrencies, Inderscience 2019.

- Nikita Singh and Manu Vardhan, "*Computing Optimal Block Size for Blockchain based Applications with Contradictory Objectives*", Procedia Computer Science, Scopus, Elsevier 2020, Impact Factor:1.26

- Nikita Singh, "An *interoperable and secure e-wallet architecture based on digital ledger technology using blockchain"*, International Conference on Computing, Power and Communication Technologies (GUCON), IEEE, 2018, New Delhi, India. Scopus Indexed.

- Nikita Singh and Manu Vardhan," Multi-Objective Optimization of Block Size based on CPU Power & Network Bandwidth for Blockchain Applications", 4th International Conference on Microelectronics, Computing & Communication Systems (MCCS-2019), Ranchi, India. Scopus Indexed.

- Nikita Singh, Aparna Tripathi, "*A Design Phase Understandability Metric Based on Coupling and Cohesion for Object-Oriented Systems*", Intelligent Computing, Communication and Devices, Springer New Delhi, India, 2015. Scopus Indexed.

- Nikita Singh, "*An Efficient Approach for Handwritten Devanagari Character Recognition based on Artificial Neural Network*," *2018* 5th International Conference on Signal Processing and Integrated Networks (SPIN), Noida, India, 2018, pp. 894-897. Scopus Indexed.

- Nikita Singh, Tarun Kumar, "*An Improved Intelligent Transportation System: An Approach for Bilingual License Plate Recognition",* Information and Communication Technology for Intelligent Systems, Springer, Singapore (2019), pp. 29-38, 2019. Scopus Indexed.
